

We had a fantastic turnout of 21 swimmers take part in the first round of the Club Championships for the year held on Saturday 4<sup>th</sup> April at our winter swimming venue at Canning Aquatic Centre. The event provided swimmers with a choice of swims over 25m and 200m.

We had a good mix of strokes being swum for the 200m event with the emphasis being on freestyle, backstroke and the increasingly popular Individual Medley. Graham Cragg continued on with his All Club Challenge form to finish the event as overall tops points scorer. There were 9 individual pb's and 15 new club records set on a great day of swimming. Special mention to Dianne Jeps who competed in the club Champs for the first time and set a club record, another slippery Jepster in the pool, well done!..

Please see the website for all the reports.

Once again, well done to everyone who swam on the day. Our next round of the club champs will be May 2nd. The only downside for the morning was the café not being open and not having our first morning tea at Cannington.

Look forward to seeing you all back at Cannington for round two!

Cheers.

Cap'n Col.
