

We had another good turnout of 14 swimmers for the second round of the Club Championships held on Saturday 2nd May at Canning Aquatic Centre. The event provided swimmers with a choice of swims over 25m, 50m and 100m.

Overall point's winner on the day was Gillian by one point from Rowie and Hans who were equal second on points. There were 3 individual pb's set, 2 for Rowie in her 25m and 50m backstroke and Hans in his 25m freestyle. 3 club records were also set with Gill in her 25m backstroke, Colin in his 25m freestyle and Lochie in his 50m freestyle for his age group. Special mention to Lochie who was keen from the start and asked if his first swim could be an 800m free!..

Please see the website for all the reports.

Once again, well done to everyone who swam on the day. Our next round of the club champs will be on June 6th. The only downside for the morning was the café not being open again on a club championships Saturday, although the Kelmscott Dome is proving to be a good backup.

Look forward to seeing you all back at Cannington for round three!

Cheers.
