

## Armadale Masters Swimming Club

Hi Swimmers,

Jeff asked me to send out the results from Saturdays Championships 8.

There was good number of members competing and a number of fast swims, 4 PBs and 10 Club Records set.

Linda Cragg, Charles Croft and Heather Jeps produced the double with PBs and Club Records with their 200m swims. Jacqueline Briggs, Graham Cragg, Greg Frey and Colin Gibson set Club Records and most swimmers were within few seconds of their PBs. So all in all and excellent championship round, only two more to go to complete the 10 round series.

See attached files for the detailed results.

Happy swimming,  
Graham.
