

## Armadale Masters Swimming Club

### Club Championships Round 2 2020

What a great turn out. We had 22 swimmers which breaks our previous record of 21 swimmers for a club championships way back in April 2015.

#### **Points Scored:**

Pamela and Fettes were our top point's scorers on the day with a maximum score of 10 points each followed by Rowena and Gillian with a score of 8 points each

#### **PB's:**

3 PB's swum on the day by Alex, Gillian and Pamela. Pamela smashed her 2106 time 100m backstroke by 7.5 seconds, Gillian lowered her 2016 100m fly time by 2.6 seconds and Alex lowered her recent 100m backstroke time by a huge 6.6 seconds – How fast can this young lady go??

Congratulations to Gillian and Pamela getting PB's and beating their times from 4 years ago – not an easy thing to do as we get older.

#### **Club Records:**

As in round 1 it was the ladies out setting lots of new club records.

**Lexie** saved all her energy and just swum the one event and set a new 100m freestyle record in her age group–well done Lexie!

**Julie** gained 100m freestyle record by less than half a second and set a 100m breaststroke record.

**Alex** gained the 100m freestyle and 100m backstroke records.

**Maree** smashed the existing 100m breaststroke record by more than 10 seconds.

**Gillian** lowered her 100m free butterfly record.

**Linda** smashed the existing club record by 20 seconds in the 100m freestyle.

**Mary** lowered her 100m backstroke record by more than 4 seconds.

Thanks to Charles for running the meet and look forward to seeing you all again for round 3 in April.
